

## LiDAR Support Engineer

Are you looking to work for a company that makes you feel like family? Are you proactive? Driven? Do you like to have fun while you work? Then we might be the company you need. *RIEGL* is an international company, and we are looking for the right person to join our *RIEGL USA headquarters* in Winter Garden, FL!

*RIEGL* delivers cutting edge technology in unmanned, airborne, mobile and terrestrial laser scanning solutions. Our core mission is to provide innovative, cutting-edge 3D LiDAR solutions and support to our international customer base. With LiDAR the possibilities are endless. With *RIEGL*, the possibilities are achievable.

We are experiencing constant growth and need more driven people like you!

### You'll be a great fit if...

You have worked with LiDAR scanners before. You have excellent communication skills, especially when communicating with customers. You have the "Triple A" of soft skills: Adaptability, Attitude, and Aptitude.

### What you get from us...

*RIEGL* is proud to offer a generous benefits package:

- We pay 80% of health insurance premiums for our employees and their families; offer dental, vision and retirement savings plans
- We pay for long- and short-term disability, life insurance and accidental death
- Full Time employees are eligible for flex time options and competitive paid time off
- Engaging company culture that promotes creativity
- Headquarters that boasts a gym, sauna, putting green and lots of comfortable collaboration areas.

### What we need from you...

- BA/BS in an Engineering discipline including but not limited to Aerospace, Computer or Mechanical engineering
- Ability to communicate with customers proactively and with ease on a weekly basis
- Ability to tackle complex problems and concepts and use resources to identify possible solutions
- Well versed in latest technology platforms for communication and collaboration
- Proficient in using computer systems and software, such as Microsoft Office Suite, with expert Excel skills, Adobe Suite, Internet, and web programming

**Please note, there is no relocation offered for this position.**

**If you are a fit for our company, please email us! [Employment@RIEGLUSA.com](mailto:Employment@RIEGLUSA.com)**

***RIEGL* is proud to be an equal opportunity employer and we value diversity at our company. We do not discriminate based on race, religion, color, national origin, gender, sexual orientation, age, marital status, veteran status, disability status or any other classification protected by law.**
